

Soderberg Wines

2011 Home Block Single Vineyard Pinot Noir

Tasting Notes

Aromatic and subtle, expressive nose carrying cherry and a wisp of chocolate and nut flavours. Mirrors the traditional European style with well-structured body and good concentration with lingering oak length. The refined structured palate is long and firmly tannic while retaining its elegance.

Compliments lamb, venison, light beef and many vegetarian dishes.

Although ready to be consumed now, if cellared well, it will improve for 8-10 years.

Vines and grapes completely hand raised and hand crated exclusively from our single 1.1 Hectare home block at the base of the Wither Hills in Marlborough, NZ.

We use strictly organic practices to grow and manage the fruit and create the wine.
